## High Gloss Hand Polish green

### Characteristics

4CR High Gloss Hand Polish green is a polish for sealing painted surfaces and which you apply by hand. 8051 can be used on any and every paint system, protects the surface and leaves a deep high gloss and long-lasting protection against environmental influences. Silicone-free.

### Tech Tip

Always shake well before use.

Do not use or expose to direct sunlight or heated surfaces.

Always use a clean Hand Sponge (Puck), Art.No. 8266.

### Application

Spread the High Gloss Hand Polish green equally over the surface with the Hand Sponge (Puck) green, Art-No. 8266. After a short drying period remove the dried polish with the 4CR Microfiber Cloth satin (6255).
