

Opticlean: Self Adhesive Protection Film

Keeps paint mixing rooms, tables, mixing scales, floors and spray booth cabins clean

Range of application:

- Protection of work bench surfaces
- Protection of mixing room equipment
- Protection of scales
- Protection of floors
- Protection of spray gun cleaning equipments

Material characteristics:

- Roll 0.6m x 25m
- Adhesive film
- Surface non-slip
- Tough and tear resistant
- Easy to apply
- Easy to remove
- Resistant to paint and solvents

Instructions for use:

- Apply the foil on the surface to be protected. Make sure it is clean and free from dust and grease. Press the foil on the surface, unroll the required length and cut accurately.
- The film is not suitable for long term protection of vulnerable surfaces finishes (eg vehicle transportation).
- Stick the magnet cutter to any iron or steel surface, or to the dispenser.

Material storage:

- Material should be stored in a dry, cool and well ventilated room.
- Material should not be exposed to direct sunlight.
